Is there anything else you would like to comment on about any aspect of Academy which has not been addressed through this questionnaire? Feel free to comment below or on a separate sheet.

The only thing we disagreed with is extracurricular activities-I don't think there are clubs that cater for interests other than sports.ie computing (except Young Voices).

If possible, I would like to see each day what my daughter is being taught every day. As we only see what homework, she gets weekly.

Appreciate Busy Kids facility; my two would like the opportunity to play out longer in the evenings.

I am really happy as my child has a smile on her face after school.

I feel the office could be there till 5pm as if I need to speak to anyone. No one is there after 4pm.I feel this strange as you offer after school clubs.

Is there a chance of a gym club maybe?

School bell goes at 8.45am, some days it is after 8.50am before the door opens (class F). Some of us have work at 9am.

I have only discovered today the school had not recorded my mobile number on my child's file .

As my Son has only been at the Academy 4 weeks, it is difficult to know all the information asked in the survey.

My daughter has only been with you for a short time but she enjoys school and I am happy so far, I will learn more about the school in future.

I feel it is wrong that my holiday request was declined.
