Is there anything else you would like to comment on about any aspect of Academy which has not been addressed through this questionnaire? Feel free to comment below or on a separate sheet.

"Reception class children should be allowed to take part in extra-curricular activities which are appropriate to their abilities and confidence level. They should not be excluded just because they are in reception. They should be treated as individuals."

"Some homework needs to have an example for the parents. Some homework we do not understand and the child also did not know how to do it. "

"Busy Kids should be open at 7:30am for us. 7:45am is a huge problem. Apart from this we are more than happy. ☺"

"I really like this school. My daughter feels safe and happy and this is important. I would recommend this school to other parents."

"This academy teaches my child really well."

"The website seems much improved and more up to date since going in house. New school facilities / activities are impressive."

"Busy Kids is an invaluable resource for working parents and the team who run this service are great!"

"This school has been the making of my child and they now love going to school."

"I would like dancing lessons and art classes to be offered."

"Not enough instructions on homework, or occasionally only getting half of the homework."
