Introduction

This policy document is a statement of the aims, principles and strategies for the teaching and learning of English at Moorgate Primary Academy. This policy will be reviewed on a yearly basis to ensure relevance, effectiveness and practicality.

English and Literacy contribute to the academy curriculum by developing pupils' abilities to speak, listen, read and write for a wide range of purposes using language to learn and communicate ideas, views and feelings. It is our view that the pupils in the academy should be taught in a safe, secure and stimulating environment enabling them all to achieve their potential in the areas of English and Literacy regardless of their gender, economic, ethnic and social background.

Aims

The aims of teaching English and Literacy are:

> To enable pupils to use non-fiction and non-literary texts in order to access information for themselves including ICT based information texts.

> For pupils to be able to use ICT as an effective means of communication and an effective tool for learning.

Organisation and methodology.

English is a core subject of the National Curriculum. The fundamental skills, knowledge and concepts are set out in "English in the National Curriculum" where they are categorised into three attainment targets:

1. Speaking and Listening
2. Reading
3. Writing

English is primarily delivered through daily Literacy sessions, which covers the programmes of study for English as set out in the National Curriculum. Extra opportunities for pupils to practise and extend their Literacy skills will be provided and linked to other curriculum areas wherever possible. Pupils are taught as individuals, in groups and as classes. The key skills are approached in varied and systematic ways in order to ensure that pupils have a wide range of strategies at their disposal.

Various approaches are adapted and integrated to meet the needs of the individual. A flexible approach is taken in the use of different methodologies and materials. Ability and mixed ability groups are used for different purposes and planned to meet specific objectives.

- > Providing a print rich environment and interactive displays in order to stimulate pupils reading.
- > Sessions of independent reading when pupils have the opportunity to read enjoy and share texts with other pupils and adults.

Provision in Early years

Literacy is developed through all areas in the EYFS but predominately through CLL. The children undertake a structured daily phonics programme, guided reading sessions and adult led literacy session beginning in the autumn term (twice weekly). Other opportunities to develop their literacy skills are provided by activities such as the writing table or planned free choice activities with a CLL focus.

Planning.

Planning for English and Literacy is done at three levels:

1. Whole academy planning, (Long term)
2. Year group planning, (Medium term)
3. Individual teacher's planning (Short term)

Planning is completed using the guidance of the EYFS and the National Curriculum. Predominately planning should come from the needs of the children and be book based link to the current topic. Planning must show progression and continuity and cross-curricular links are detailed. Whole academy meetings are used to discuss any issues arising. Pupils' development in Literacy is constantly monitored and assessed in order to inform future planning, teaching and reporting. A variety of methods are used in order to provide a broad and balanced picture of pupils' skills through the school assessment grids. A variety of evidence is required ensuring it has been gathered across the curriculum not just within Literacy sessions. Writing assessment should predominately be taken from cross curricular writing opportunities. All staff keep are to take advantage of incidental and informal assessment opportunities. All formal assessments are passed to the receiving teacher at the end of the academic year. For all aspects of English and Literacy, staff indicate pupils' strengths and highlight weaknesses that are then used to inform future learning targets and planning.

Assessment of Speaking and Listening.

Pupils' progress in speaking and listening is assessed informally using a variety of methods in differing situations, through:

- > Shared text work.
- > Word/sentence level work.
- > Independent and collaborative work.

- > Group and whole class discussion and interaction.
- > Debate and presentation.
- > Drama activities.
- > Independent play activities.

Evidence is gathered formally and informally to support the assessment and this forms the basis for the annual report to parents.

Assessment of reading.

- > Pupils' reading behaviour (attitude to reading, chosen texts etc.) is observed and noted by the class teacher in the pupils' individual reading record books, taking account of reading both in academy and at home.
- > Pupils' progress in reading is assessed through guided reading. This includes the reading of both fiction and non-fiction texts. Reading records are used to inform judgements and next steps.
- > Statutory assessment of reading occurs through end of Key Stage. The results of these assessments are monitored closely in order to inform targets for subsequent year groups.

Assessment of writing.

- > Pupils' writing is assessed regularly against the appropriate learning objectives as detailed in the National Curriculum and EYFS.
- > Pupils' progress in writing is assessed through guided writing and ongoing written work throughout the curriculum.

Monitoring and Evaluation.

The Head teacher and Literacy leader manage a programme of monitoring and evaluation of the teaching and learning in the academy through:

- > The implementing of a monitoring cycle.
- > The monitoring of medium and short term planning.
- > Lesson observations.
- > Staff consultation.
- > Book scans.
- > Analysis of pupil's progress

> Scrutiny of teacher assessments.

> Learning walks.

> Pupil interviews

These activities are carried out by Leaders; a report is then compiled indicating good practice and areas for development. This is shared with Governors and staff. Any areas for development form part of the Academy Development Plan which is compiled on an annual basis. Teacher assessment will also be quality assured through external moderation. The main focus will be Year 2 and Year 6; however it is the aim to extend this to all year groups.
