

Year 6 Leavers Video

As you know, due to the COVID-19 pandemic, the Year 6 children have been unable to perform a Leavers Production. Usually, children would rehearse and perform a play in front of the school and family. As this is unable to happen, we would like to create a Leavers Video including the children instead.

This video will include a picture of each child displaying a sentimental message as well as a video clip of them throwing a paper aeroplane, similar to the one staff recorded during lockdown for the children. This video will be shown across social media platforms so that all children are able to view this.

Children currently attending school will be recorded during school hours, however those children who are learning from home will be notified via text or phone call within the next week to inform them on how to be part of this special video.

As the video is going to be published across social media platforms, we therefore require parental/guardian consent as to whether children can be part of this. If you **would not** like your child to be part of this video, please contact the school office by Wednesday 8th July.

Yours sincerely,

The Year 5/6 Team
