

Wednesday 15th July 2020

Dear Parents,

You are invited (virtually of course) to your Year 6 leaver's very last assembly at Moorgate.

This Friday, we will be having a very special assembly in the hall for the children (who will all be socially distancing) and I am also going to do the assembly on a Zoom call. This will allow those children not in school and all Y6 parents to see the assembly and join in the celebration of our wonderful children and their time at Moorgate.

During the assembly there will be laughs, tears (but I'll try and keep these to a minimum!), awards and plenty of reflection on all the achievements your Y6 leaver has had whilst at Moorgate.

Know that I am very proud of your child and all they have achieved. It doesn't matter to me that they don't have SATs results, what matters to me is that we have worked together to make your child the best well-rounded young person that they can possibly be and ready to represent our school and achievements at High School.

The details of the assembly are as follows:

Zoom

ID: 830 1150 1951

Password: 6wu8YM

I hope you can join us.

Thanks,

Jon Williams x

Jon Williams (proud to have been your child's Headteacher)
