### **CLASS J Remote Learning over the Next Two Weeks**

Dear Parents/Careers,

Thank you for your understanding and support today in collecting your child due to the positive Covid-19 case within your child's class bubble. Please be aware that we sent you the information as soon as we had it and also that the details of the person that has covid-19 will remain anonymous. I would ask you to refrain from trying to guess or making assumptions about who the person is, remember that staff and children are off from school with other things than coronavirus all the time.

#### **Remote learning**

Over the next two weeks, there is an expectation that your child will be working remotely from home. There is also an expectation that, when Miss Hardware is able to, that the children will have daily contact with her, and she will introduce their learning for that day and go through any modelling, expectations etc. with the children at that time. However, Miss Hardware is unwell at the present time and therefore, the information is on the website for you to access.

We have populated the website with information that the children will work through over the next week. All information is on there for English, Reading, Topic, etc. There is also Maths for tomorrow; the remainder of the maths will be put on at some point tomorrow for the rest of the week.

Next week, the information for the week will be live on the website at 9am on Monday morning and if Miss Hardware is feeling better by then, she will do the introduction for the learning at that time.

#### **Zoom**

To start the children off, if there are any questions they may have, things they would like to go over or anything about the information, I will go through it with them via a Zoom call tomorrow at 9am. The logon information they require is below. Children are welcome to logon if they require help but if they are ok and know what they need to do then they can get on: it is optional.

Mr. Williams is inviting you to a scheduled Zoom meeting.

Topic: Class J Remote Learning intro

Time: Oct 13, 2020 10:00 AM London

Join Zoom Meeting

<https://us02web.zoom.us/j/89977237637?pwd=YXhCLzR4UTN6OXRxV2FtdVM4YzAxUT09>

Meeting ID: 899 7723 7637

Passcode: 140995

#### **Check in**

As we did over lockdown, we will also be making weekly phone calls to all children to check up on them. This will be on Thursday / Friday this week and next and may very well come from a blocked number (as staff will be using their own phones to make the calls).

## Parents Evening

Due to Miss Hardware feeling poorly, Parents Evening for next week for her class is postponed. We will book this in for after half term and will give you plenty of notice for when this will be.

Thank you again for your support and understanding with this matter. If there is anything within this letter you would like to discuss with me, please do so in the usual way. Catch me on the playground, ring me via the office or send me an email.

Kindest regards,

Mr. Williams
