

Year 5/6 Remote Learning

Dear parents/guardians,

Happy New Year! We appreciate your patience and support during this challenging time.

Please find below a time table of online remote learning for children in years 5 and 6.

9:00-9:15	9:15-10:15	10:30-11:30	11:30-12:00	1:30-2:00	2:00-3:00
Morning Briefing / Spelling <i>All children are expected to attend this.</i>	English <i>Your teacher will ask you to join.</i> <i>If support is needed use the details below.</i>	Maths <i>Your teacher will ask you to join.</i> <i>If support is needed use the details below.</i>	Reading <i>Your teacher will ask you to join.</i> <i>If support is needed use the details below.</i>	Wellbeing drop in <i>If you would like a chat to your teacher about anything please feel free to join.</i>	Topic <i>Please complete this work independently at home.</i>

Each day, your child will need to log in to access the zoom meeting for their class (please find the information below for logins and passwords). It is imperative that all children attend the 'morning briefing' session to understand what is expected of them that day. At the start of each English, Maths and Reading lessons, your child's teacher will deliver input, which will enable your children to access their learning.

Every day learning activities will be uploaded onto the school website at <https://www.moorgateacademy.co.uk/home-learning> for English, Maths and Reading lessons. Weekly activities will be uploaded for Topic on Monday morning. Please feel free to do these Topic activities at home during your afternoons. If your teacher needs to see your work, they will inform your child during the morning briefing. Maths answers will be uploaded onto the school website by the end of the day for your child to self assess their learning.

To make this learning easier for you and more meaningful for the children we will be sending home their Power Maths book and a blank exercise book to complete all activities in. We ask that these are collected from school reception by 3pm Friday 8th January.

Below is a range of websites, which offer extra learning for your children, if needed. If you require the passwords for these please email your class teacher.

- Purple Mash
- Times tables Rockstars
- Spelling shed
- Oxford Owl

If we do not make contact with your child via the online learning we will contact them through a telephone call.

We thank you for your continued support and look forward to seeing your child on zoom each morning.

Kind Regards,

The Year 5/6 Team.
