

Year 1/2 Remote Learning

Happy New Year everyone!

Hope you are safe and well – please find attached our plan for the next period of lockdown.

Each week ample home learning will be set on the school website which will be live by 9am each Monday. This will be taken down each Friday at 12:30pm to allow us to set it up for the following week.

This will include:

- A daily English activity,
- Daily phonic or spelling activities,
- Daily reading activity,
- A daily maths activity to work through,
- As well as daily topic activity.

You are welcome to ask for a paper copy of these via the school office which will be available for you to collect each Monday. It would be great if you were to send in photos of any work you complete (as suggested on the home learning page) to your child's individual class email address. Your child's class teacher will then be able to email you back.
