

Monday 25th January 2021

Good morning parents of class G,

I have exciting news regarding this afternoon's class chat! We have been contacted by ITV who are doing a programme based on children's mental health especially during lockdown and with remote teaching.

They would like us to record about 30 seconds of this afternoons chat for the programme which will run in February. This will be of children and Miss Villers talking about this afternoons theme of kindness.

If you would like your child to take part, you simply log on at the agreed time this afternoon with the Zoom information you have been provided with by Miss Villers. If you would like the children to take part, could we please ask the following:

- Children are fully dressed
- Children are in an appropriate workspace (preferably not their bedroom)
- The workspace is free from distraction (TV, music, other siblings etc.)
- When they log on, they only put their first name in the box provided

If you do not wish for your child to take part, you simply don't have to do anything. Don't log on to today's call and that is absolutely fine. When the recording is done, Miss Villers and I will check it and make sure all who are on have given permission, this can then be sent on to ITV ready for the programme.

Hope this is ok – sorry about the short notice but we've only just been asked and I thought it would be something exciting for the children. If you would like more information, please send a text and Miss Villers or I will ring you back.

Kindest regards,

Mr. Williams
