1. Moorgate Primary Academy's Commitment to Data Privacy

Moorgate Primary Academy is committed to protecting the privacy and rights of anyone who chooses to share their personal data with us. The General Data Protection Regulation becomes law in all European countries from 25th May 2018. From this date, EU residents (data subjects) have greater control over the processing of their personal data and organisations within the EU have obligations to protect personal data accordingly.

Under data protection law, individuals have a right to be informed about how we use any personal data we hold about them. We comply with this right by providing 'privacy notices' to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about pupils.

2. Who processes your child's information?
