

Thursday 23<sup>rd</sup> September 2021

Dear Parents / Carers,

As you will recall from the Parents Welcome Evening last week, each Key Stage has organised a comprehensive Enrichment offer for this academic year. This will sit alongside all the additional morning and afterschool activities we will be running this year and will directly link to their topic curriculum.

In this letter you will find the Enrichment offer for 2021-2022. As a reminder we kindly ask families for a voluntary contribution of £10 from each pupil. Without the contributions and support from the families, unfortunately these trips and enrichment activities will not be able to go ahead this year.

The **£10 annual voluntary trip contribution** for enrichment has been set up on **ParentPay**. If you require additional information about how to log on, please see Mrs. Mitchell who will be glad to help.

Below, are the topics set out for this year, with the enrichment that has been planned and the cost. This gives you 100% visibility as to where the contribution is going and what the money is being spent on.

Kindest regards,

Mrs. Eaglefield

**EYFS**
