ACHIEVE, CHALLENGE, ENJOY!

Date: 25th April 2022

Dear Parents/Carers,

As part of our topic 'Scented Garden', Key Stage 1 children will be taking a walk of the local area and visiting Tamworth's Castle Grounds as part of a Geography lesson. During this walk, children will be learning about the local landmarks they pass and discussing the route they took. Back at school, children will then create a map of the local area using simple symbols.

This walk will take part on **Tuesday 3rd May 2022**. This will be part of the normal school day and therefore the children will not require anything additional other than their usual sensible shoes and jacket.

As ever, we cannot take part in these education visits without the continued support of families. This walk has been planned as part of the Enrichment offering for 2021-2022, we kindly ask for a voluntary contribution of £10 that can be paid via Parent Pay. Below, you will find a reminder of the enrichment offering, you will see that we have an exciting trip to Conkers very soon! Look out for a further letter.

In addition, we would love for some parent helpers on this visit. If you are available to help out on the walk, please see your child's class teacher.

Topic No	Topic 1	Topic 2	Topic 3	Topic 4	Topic 5
Topic Title	Splendid skies	Dinosaur planet	Bright lights, big city	The scented garden	Bounce
