

Edition 4

Welcome to the Summer Edition of the Key Stage 1 Newsletter. Our current topic is called 'The Scented Garden' and has a big focus on Science!

Our Topic is The Scented Garden!

Children have loved exploring and investigating plants so far in our new topic! They have had opportunities to plant their own seeds, learn about how wheat is grown from our visitor from Packington Farm and learn how plants grow and live.

We are excited to see how our plants grow and go and see some plants at Tamworth Castle. We are going to be creating our own observational drawings inspired by Georgia O'Keefe.

Homework Club

Miss Walker will be running a homework club on a Wednesday.

If you wish for your child to attend please return the letter asap. This is a first come first serve basis.

Homework

All homework in Key 1 & 2 is set online via Spelling Shed, Maths Shed, Purple Mash & Floppy's Phonics. Homework is set on a Friday and we do our best to send a text out to let families know the focus for the week.

For those pupils in Year 2, you will be able to access the platforms using last years logins.

For our Year 1 children, a homework login sheet will come out shortly for you with some additional information.

If you would like a reminder, please feel free to email your class teacher.
