Enrichment offer 2023-2024

Dear Mum, Dad & Carers,

As part of our continued commitment to offering pupils the best possible enrichment, each year group has organised a comprehensive enrichment offer for this academic year. This will sit alongside all the additional morning and afterschool activities we will be running this year.

In this letter, you will find the Enrichment offer for 2023-2024. We kindly ask families to support Moorgate in providing these opportunities with a voluntary contribution of £10 from each pupil. Without these contributions and support from families, unfortunately these trips and enrichment activities will not be able to go ahead this year.

The **£10 annual voluntary contribution** for enrichment has been set up on **ParentPay**. If you require additional information about how to log on, please see a member of our office team who will be glad to help.

Below are the topics set out for this year, with the enrichment that has been planned and the cost. This gives you 100% visibility as to where the contribution is going and what the money is being spent on.

Kindest regards,

Mrs. Eaglefield

Reception:

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
