RE: Our Section 5 Ofsted Inspection this week!

Dear Mums, Dads and Carers,

As you will be aware from the text I sent out on Monday, this week we were visited by Ofsted for our Section 5 Ofsted Inspection. This means a full and graded Ofsted inspection which will grade the quality of the school in: Leadership and Management, The Quality of Education, Behaviour and Attitudes, Personal Development and the Early Years Foundation Stage. Thank you to those of you who contributed to our parent survey and to those of you who spoke with the inspectors during their visit. Also, a special thank you to the children for shining during our inspection! They spoke to the inspectors on all the things they like about our school, the activities they do and also other things they would like to see. They did us proud.

Following the inspection, the lead inspector will now write the report and then it will be published in about 6 weeks time. Unfortunately, I won't be able to let you know the result of the inspection until it is published so please don't ask! Just know that as always, I am proud of the children, the staff and the community that Moorgate serves.

When the report is published, I will send a link to you so that you can read it and this will be accompanied with a cover letter from me. At that time, if you would like a paper copy, please request this from the school office and they will be more than happy to provide you with one.

Until then, thank you for your understanding with this, I'll keep you in the loop as soon as I can.

Kindest regards,

Mr Williams
