

# Autumn 2 — Year 3/4

Please see below the subjects we are teaching this half term and what the children will be learning.

Science	Geography	D&T	Computing	Music	RE	PSHE
Living things and their habitats	The USA	Seasonal Stockings	Coding	Mamma Mia	Christmas Journeys Christianity	Health and Wellbeing

## Enrichment

As part of our topic, The USA, the children will be creating their own dreamcatchers in Forest School.

The University of Birmingham team of scientists will be coming in to work with the children focussing on biodegradable plastics.

## Reading

We can't stress enough how important reading is. So we ask that **20 minutes** of reading is happening **3 times per week** as a minimum.

The more the better!

Please ensure your child's home reading book and record is in school every **Monday** morning with a record of their home reading.

## P.E

Please ensure your child has their PE kit in school which includes appropriate pumps or trainers. Polite reminder that all earrings should be removed or covered up and that girls' hair should be tied back for PE lessons.
