ACHIEVE, CHALLENGE, ENJOY!

Thursday 7th December 2023

Dear Mums, Dads + Carers,

It is my privilege to attach a copy of the report from our most recent Ofsted inspection from November 14th / 15th 2023. In essence, it is my absolute pleasure to inform you that we continue to officially be a "Good" school, in all areas, as graded by Ofsted.

The report is a true and accurate reflection of current practice in school and please be reassured that as well as celebrating and building on the positives of the report (and there are many of them), we will be addressing the areas of the report which highlight where we need to improve. If you wish to discuss any aspect of the report with me, please make an appointment through the school office to do so.

I believe the report celebrates the journey we have all been on (staff, children and families) and it is wonderful to have recognition for the improvements that we have made. There is still potential for us to improve further and this report highlights key areas where we can make a huge difference. I know that with your continued support and cooperation, Moorgate can continue to build on its recent success and build on the good education we provide for our children for many years to come!

Could you please ensure you share aspects of the report with the children and explain to them anything which they don't understand? It is important that the children know the strengths and areas of development of the school so that they fully feel part of the process in the learning journey which leaders intend, along with the rest of the staff, to implement, ensuring the very best provision for the children and community that Moorgate Primary Academy serves.

Finally, a massive thank you to all children, parents and families of Moorgate for your belief and continued loyalty to the school and your support of the staff. It is that belief which has mirrored our own - that every child at Moorgate Primary Academy has the right to, and receives the very best education possible.

Happy reading and I look forward to hearing your responses to the inspection report,

Kindest Regards,

Jonathan Williams (Headteacher)
