Additional Homework ideas

Remember, homework is sent out on a Monday and is expected back in school by the end of the week. You will get a reminder text when homework is sent out.

We know for some of you, you are looking for even more to do! Here are some ideas of things you could do at home which are linked to our current geography unit on settlements:

- 1) Research a local town or neighbourhood and create a poster on it
- 2) Draw a map of your dream settlement
- 3) Build a model settlement
- 4) Research a settlement that is in a foreign country and create a fact file on it.

We would love to celebrate any additional homework you do, please bring it into school to be celebrated.

Reading

We cannot stress enough how important reading is.

Children in a reading group now bring their book home on a Friday and can share and celebrate their learning with you over the weekend.

The children have been really impressing us with their reading in class and I'm sure you'll agree that they have already been making excellent progress with their reading fluency!

Times Table Battlez

Please come and join us in Year 3/4 for our Time Table Battlez on 12th December 2024.

More information to follow so look out carefully for the letter!

Upcoming School Trip:

Year 3 & 4 will be visiting the Think Tank in March 2023. Although this seems like a few months away it will soon be here.

As a reminder, the cost of the visit will be £20.85 per child.

The payment has been set up on Parent Pay so that you can make instalment payments over the next coming months.

If you require any support, please see a member of the office staff.
