ACHIEVE, CHALLENGE, ENJOY!

Year 4 Tree Planting

**NATIONAL
TREE WEEK
2024** 23 November
- 1 December

Dear Mum, Dads & Carers,

On Friday 29th November, all Year 4 pupils will be taking part in planting 31 new trees as part of National Tree Week and making direct links with their current topic in science 'Living things and their habitat'.

On the day, children will spend the morning outside planting the saplings onto Moorgate's newly established orchard at the entrance of Hospital Street. We will also be joined by Tamworth's MP Sarah Edwards which is very exciting!

Children are asked to:

- Wear something warm such as a tracksuit and old trainers that they do not mind getting dirty.
- Bring in a suitable outfit to change into for the afternoon in class.
- Wear appropriate outdoor coat/hat/scarfs as the weather dictates.
- Please be aware this also falls on the same day as non-uniform day.

This project is also supported by our brilliant Local Academy Council, also known as the LAC, who have been great in supporting the application for the trees and driving forward the school orchard. We currently have vacancies on our LAC for parent representatives, if you are interested in supporting the school, please get in touch with myself or a member of the office team.

In addition, if you are able to help out and get stuck in with us on the morning of the 29th November, please let the office know and we will be in touch.

Kind regards,
Mrs. Eaglefield

Head of School
