Class Dojo: Code of Conduct

ClassDojo

Dear Mums, Dads & Carers,

You may have the recent communication inviting you to sign up and use Class Dojo. Below you will find detailed information about Class Dojo and how we are going to be using it as a school. This will be our Code of Conduct that we kindly ask all families to abide by.

What is Class Dojo:

Class Dojo is a secure online platform that allows parents and teachers the ability to communicate through posts, photos and videos. Every parent has an individual log in which is for their own personal use. Children and parents are part of their class only. Every message and post sent on ClassDojo can be translated into 130+ languages, instantly.

Class Dojo is completely free to use and we do not expect families to sign up to Class Dojo+.

How will we use Class Dojo:

Class Dojo has much scope, and no doubt, over time, we will be able to use it to its fullest extent. However, to begin with, we will be using it for the following:

- Teachers will upload photos & videos for individual classes to see. This could be celebrations of pupils learning, exciting visitors in school or trips.
- Updates into the calendar of upcoming events
- Reminders for PE days, curriculum events, homework etc. for individual classes or groups
- Create announcement
- Uploading documents such as a Newsletters

How parents can communicate on Class Dojo:

Although Class Dojo offers the opportunity to directly message members of staff, we have decided not to use this feature to support our staffs work and home life balance.

Families can use Class Dojo to

ACHIEVE, CHALLENGE, ENJOY!

- Keep up to date with current school events and celebrations
- Like school and class posts
- Pick up important messages and whole school announcements

If you wish to communicate with your child's class teacher, please do this in the usual way via the door at drop off & pick up time or via the school office. You can phone or email the school in the usual way, all contact details are available on the school website.

As we get all families set up with Class Dojo, you may see more functionality turned on in the future with the move to fully using Class Dojo over the whole school text system. If we make any changes, we will continue to inform you.

If you would like any support accessing Class Dojo and getting set up, please pop into the school office and we will assist you where we can,

Kind regards,

Mrs. Eaglefield

Head of School
