Additional Homework ideas

Remember, homework is sent out on a Monday and is expected back in school by the end of the week. You will get a reminder text when homework is sent out.

We know for some of you, you are looking for even more to do! Here are some ideas of things you could do at home which are linked to our current geography unit on settlements:

- 1) Research some different British inventors, can you create a fact file about this?
 - 2) Could you create a poster about different Jewish celebrations? Could you draw or paint some lights?
 - 3) Build a model of a volcano, using our enrichment activity 'make an erupting volcano' have a go at this at home independently.
- We would love to celebrate any additional homework you do, please bring it into school to be celebrated.

Reading

We cannot stress enough how important reading is.

Children in a reading group now bring their book home on a Friday and can share and celebrate their learning with you over the weekend.

The children have been really impressing us with their reading in class and I'm sure you'll agree that they have already been making excellent progress with their reading fluency!

Times Table Battlez

We are so proud of the children for their hard work with their timestables. Our classes are still head to head so please ensure you are still logging on online.

Upcoming School Trip:

Year 3 and 4 will be visiting the Think Tank 25th March 2025. This trip is only around the corner now so please ensure all letters are handed in and payments have been made.

As a reminder, the cost of the visit will be £20.85 per child.

The payment has been set up on parent pay so that you can make instalment payments.

If you require any support, please see a member of the office staff.
