Code of Conduct around school

Dear Mums, Dads & Carers,

Please see this letter as a polite reminder of Moorgate's expectations for the code of conduct when accessing school site for families and visitors. The School has a legal duty to ensure that its pupils, staff and visitors are treated with respect and feel safe on school grounds.

Below are a reminder of the expectations:

- There is no smoking or vaping on school site at any time
- Dogs are not permitted on school site at any time
- Children should not be accessing any of the play equipment including the Early Years playground or the Science Garden before and after school. Parents are reminded that children should not be climbing on the walls or banks
- Parents & visitors should set a good example with language and behaviour especially on and around our site
- Please speak to school staff politely and calmly. Foul and aggressive behaviour is not the way to resolve any issues that you may have and could lead to further consequences
- Correcting their own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour
- Please approach the school directly to help resolve any issues of concern

Thank you to all the families and visitors that support school with all of our behaviour expectations and that are courteous, polite and set a good model of behaviour for our children.

Kindest regards,

Mrs. Eaglefield
