APRIL 2025

What a wonderful term it has been. There have been many exciting enrichment activities going on in school this term including Years 3 & 4 visiting the Think Tank (an absolutely amazing experience), Year 4's Easter Visit to St. Edith's Church and the Royal Society Project Presentation.

The Royal Society Partnership Grant allowed our Years 4 & 5 children to take part in an 18 month Science Project that saw them investigate biodegradable plastics through carefully planned observations and a range of investigations. This would not have been possible without the fantastic support of our Parent Governor Dr. Zoe Schnepf. I would like to take this opportunity to personally thank Zoe for all the wider contributions she makes to our school and the hard work she has personally put into wider opportunities for the children at Moorgate, alongside being a pro-active member of our School Local Academy Council.

We really hope everyone is enjoying engaging with the Dojo Platform that we launched last month. It's a great way to see what is going on in school life, keep up to date with upcoming events and receive instant messages relating to things such as PE days. As a reminder, we will not be using the direct messaging aspect of Class Dojo at present, if you wish to communicate with school, please do so in the usual ways. All contact details can be found on the back of this Newsletter.

Upcoming Enrichment...
 Formal letters with detailed information will follow. We kindly ask families to contribute to the costing of the trips. If we do not get enough contributions, we will unfortunately have to make the hard decision to cancel the visits.

Lunch Boxes

We always encourage children to lead a healthy lifestyle and as part of this, we have been regularly monitoring children's lunchboxes. As a polite reminder, please be aware as part of a healthy and balanced lunch there are items that children will not be allowed as part of their packed lunch. To avoid your child being disappointed/embarrassed, please ensure that you are not putting the following items in your child's lunchboxes:

- Sweets or lollipops
- Fizzy drinks
- Chocolate bars
- More than one sweet "snack" bar/pudding
-

If your child is in Reception and Key Stage 1, don't forget your child is entitled to a free school meal every day! Why not consider this as a healthy alternative to a packed lunch.

Car Parking

Thank you to all the families that have made a change in their recent parking habits to ensure they park away from school when collecting from afterschool clubs and that keep the main school gates clear at all times.

As a reminder, it is essential that all families park respectfully around Moorgate, giving careful consideration to neighbouring houses so that they can be accessed at all times.

Farewell

At the end of this term, we will be saying goodbye to Miss Crombleholme who works with Year 3 & 4 as a Learning Support Assistant.

Miss Crombleholme joined our team in October this academic year and will be moving into a new role within a local SEND team. I am sure you will join us in wishing her well in her new venture.
